

Get SMART

HOW COVID HAS PROVEN THAT THERE ARE DIFFERENT WAYS OF
DOING BUSINESS

VICKY BRIDGE

Who am i?

I am someone who is passionate about technology!

6.5 Years as Head of IT at 2 municipalities in the Garden Route. During this period, I worked with Economic Development to ensure the implementation of Fibre across the region.

Emigrated to the UK 2 years ago and I am currently working at DTCC. DTCC is a global organisation which stands at the centre of global trading activity, processing trillions of dollars of securities transactions on a daily basis.

My Journey with COVID in the UK.

THE EVOLUTION OF THE EMPLOYEE

Re-Imagine an Employee

We want to evolve and be more Agile

Finding a work/life balance is important

Lifestyle choice to live in the Garden Route

Re-Imagine Assets

Re-Imagine the
office

Re-Imagine
mobility

Re-Imagine
holiday

Conclusion

Invest in fibre and connectivity networks - “Build it and they will come.” Field of Dreams (1989)

The Garden Route is the most beautiful area in the world to live and technology can enable the dream!

Thank you for listening to me ramble, I hope to have given you all some food for thought!
